

Magnetic Hold Fast

Series AA-190

- Magnetic holdfast are appropriate where firm grip is required.
- As the magnetic force is strong in holdfast therefore a jack of screw is provided for On/Off which also serves as a handle.
- Magnetic effects are confined to the pole face, there is no stray flux. Can be used in single or in multiple to make welding and other assembly jigs or to lift objects.

Specifications:

Sr. No	Cat. No.	Diameter mm	Body Height mm	Fixing Hole Center mm	Magnetic Pull kg
1	AA-1901	45	45	32	20
2	AA-1902	55	50	38	30
3	AA-1903	70	65	50	40
4	AA-1904	100	75	69	50

Magnetic Vice

Series AA-223

- Plate Type Magnetic Separators are used for lifting small ferromagnetic material.
- The contact area is made of stainless steel for protection against rust.
- The ON-OFF can be activated by separating bottom cover with the help of handles.
